VINEYARD NATIONAL LEADERS'  
CONFERENCE 2018

# FREEDOM

## WELCOME & SCHEDULE

We are thrilled to welcome you to The National Leaders' Conference. It's such a great opportunity for us all, as leaders, to gather together to worship, to meet with God, to be inspired and to spend time with friends, old and new.

The conference is a real highlight of the Vineyard calendar; a time where we gather as leaders to worship together, minister to one another, catch up over food and drink, seek God and spend time in his presence.

This year our theme is 'Freedom', as we pursue the Freedom that only Jesus can offer, whilst in turn helping bring Freedom to our cities.

We long for this to be a conference where Jesus meets with each of us; a time where we can come and be refreshed, encouraged and inspired.

**John and Debby Wright**

National Directors,  
Vineyard Churches UK & Ireland

## **LAZARUS AND MAGGIE YEGHNAZAR**

Lazarus and Maggie were both born and brought up in Iran, each making their own commitment of faith to Jesus as children, and growing up with a passionate commitment to serve the church. They felt God call them to leave Iran in 1988, to plant churches and train leaders; this became what they founded as 222 Ministries International. Lazarus is President and CEO and Maggie leads both the ministry to women and 222 Publications. 222 has been a pioneer in many areas of Farsi Christian ministry, including satellite television broadcast, the internet and on-line theological training. The period since the 1979 Revolution has witnessed a remarkable outpouring of God's grace on Iranian people. Lazarus and Maggie are thankful to have witnessed so many transformed lives; their records indicate over 100,000 have so far been brought to Christ through 222. Their core passion remains to train leaders and plant churches to see 'Iran Changed for Christ'.

## **PASTOR AGU**

Pastor Agu is a law graduate of the University of Warwick, UK. A former investment banker and partner in a law firm; he is now the Senior Pastor of Jesus House for All Nations London. He oversees over 600 parishes in his capacity as the Chairman of the Executive Council of the Redeemed Christian Church of God, UK.

He is the Chair of the organising committee of the Festival of Life, the largest prayer gathering of its kind in Europe with an attendance of over 45,000 people at each of its biannual programs.

Pastor Agu is also a key member of the One People Commission of the Evangelical Alliance. A body set up to integrate black majority churches more fully into the Evangelical Alliance.

He was voted Britain's most inspirational black person of 2012 in a poll conducted by the mayor of London's office and the London Metro.

He has written a number of books the latest of which is called Everyday Supernatural.

He has had extensive experience in the area of city centre church planting, and is passionate about integrating deep theology with the power of the Holy Spirit. He is the author of Sacred Roots, A Creative Minority and the forthcoming book, The Burden is Light. Jon lives in the Hell's Kitchen neighbourhood of Manhattan with his wife and two children. He serves as the Lead Pastor of Church of the City New York.

They first got involved with the Vineyard movement in 1982 and in 1987 they spent 8 months as interns at Anaheim Vineyard (under John Wimber the leader of the Vineyard Movement in the USA). **WEDNESDAY 1:45 - 2:45**

**BACK TO THE FUTURE**

JOHN & ELEANOR  
MUMFORD

- AUDITORIUM

Paul's epistles bristle with reminders to remember, but he insisted too that we plan ahead and press on. John and Eleanor are well placed to recount our Vineyard narrative, but are quite as passionate about all that lies ahead for the Vineyard family globally.

John and Eleanor married in 1978 after meeting at university. They trained together under John Wimber in California, before starting the first Vineyard church in Europe in 1987 (SW London Vineyard). In 2008 they handed over the leadership of that church to concentrate more on the Vineyard movement, both nationally and internationally, then in 2015 they transitioned the leadership of Vineyard Churches UK & Ireland. Together they now focus on helping facilitate the growth of the Vineyard internationally and speaking around the world.

**THE COST OF  
'FREEDOM'  
FROM DARKNESS**

LAZARUS YEGHNAZAR  
- F1

Come and hear about the emerging church in the Middle East amidst sounds of bells and horns of wars!

Born in Iran to an Armenian Christian family, Lazarus has been in ministry to Iran since childhood where he met and married his childhood sweetheart, Margaret. After the Iran-Iraq war they moved to England and founded 222 Ministries. 222 Ministries has established churches in 50 Iranian cities and 16 countries, pioneering a Farsi Christian news agency, online Bible college and internet. In 2002, he started Iranian Christian Broadcasting producing Farsi Christian television programs reaching Iran, Afghanistan and Europe.

**WEDNESDAY**

**CHURCH PLANTING -  
STORIES FROM THE  
FRONTLINE**

**JAMES RANKINE - F5**

Have you ever wondered what planting a church is really like? Is it all that it is cracked up to be? If you are exploring church planting we would love you to come along and hear of the many exciting and faith filled stories from people who have recently planted.

James and his wife Jen lead Cardiff Vineyard and oversee Church Planting for the movement.

**CHILDREN'S MINISTRY  
- KINGDOM LIVING**

**KEV NASH - G2**

In our Kids' ministries, we have children coming from all different backgrounds. Some of our children are coming from homes where worship happens throughout the week, and some of our children are coming from a totally different place. This seminar takes a creative look at how we can lead all our kids' into the presence of the King, and we will share some ideas to help them continue encountering Him in worship beyond the Sunday service.

Kevin Nash is an Assistant Pastor at St Albans Vineyard and on the team for the National Vineyard Kids' Ministry Core Team. He has been in Children's ministry for over 10 years and is passionate about the local church investing in children to see them becoming kingdom kids'.

**CREATING AN ENVIRONMENT WHERE MINISTRY IN THE POWER OF THE HOLY SPIRIT CAN HAPPEN**

**MIKE PILAVACHI - AUDITORIUM**

Mike heads up soul survivor ministries and is the lead pastor of soul survivor Watford.

He speaks at conferences and events around the world and is known for leading ministry times where the holy spirit moves in power. He is passionate about empowering and equipping others to do the same.

**INTRODUCING SPIRITUAL FORMATION TO THE LOCAL CHURCH**

**ANDY SMITH - F1**

Many of us have been hugely impacted by Spiritual Disciplines, and Spiritual Formation. We have been shaped and formed by ancient practices undertaken in the presence and power of Jesus, and they have allowed us to access more of His kingdom life. And we long for our whole churches to be impacted in the same way. We are tired of gathering crowds, and long to see people equipped to follow Jesus and be changed in his presence. If you are interested in what it might look like to embrace Spiritual Disciplines and Spiritual Formation in a community, yet stay committed to growth in numbers and dynamic impact in our cities, towns and villages then come along.

Andy with his wife Harmony have led Belfast City Vineyard since 2002, and also serve as Regional Leaders for Ireland for the Vineyard. They are passionate about building community, and seeing everyone released into a life of impact and legacy as they build their lives around the transforming presence of Jesus.

**FREEDOM BRINGERS**

**MAGGIE YEGHNAZAR**

- F5

Jesus came to set us free. What does that freedom look, taste and feel like in real life? Is it possible for a Christian to not be free? How can we be ambassadors of freedom to people around us, specifically those of other cultures? Come and hear real life testimonies of individuals who have received freedom and have actively pursued the freedom of others even at the cost of their own, to inspire, challenge and encourage you to be a Freedom Bringer.

Maggie was born in Tehran in an Arminian nominal Christian family and accepted Jesus at the age of 10. She and her husband, Lazarus, left Iran after the Iran/Iraq war in 1988, and together, founded 222 Ministries International, with a vision to see 'Iran changed for Christ'. She leads the '222 Women's ministries', as well as 'Publications' and 'Farsi Freedom in Christ'. She is internationally recognised speaker for Iranian women and often organises and leads women's conferences.

**EXPLORING MULTISITE CHURCH**

**CHUCK & TARYN**

**FREELAND - G2**

Lots of churches around the UK and Ireland, including some in the Vineyard, are exploring what it would mean to do worship, ministry and mission in multiple locations across their city or region. In this seminar we'll hear stories from churches who have actually made the jump, and examine the pros and cons of such a model.

Chuck and Taryn are the lead pastors of City Church Aberdeen. Originally from Surrey and Devon, they moved to Aberdeen in 2004 and have been leading City Church since 2008. The church has grown significantly and now meets at 7 different sites across North East Scotland. They are passionate about the Church, developing leaders and serving the poor. They have 3 wonderful kids.

**THRIVING IN ACTIVE  
RETIREMENT**

**PETER & ROSEMARY  
STURROCK AND BRUCE  
& LYNNE RANKINE - Y7**

Peter and Rosemary are experienced Vineyard pastors and church planters, now living in the East Midlands. They are thriving in active retirement, seeing it as a new beginning filled with purpose and hope, they are looking forward to what looks like a rich and busy future. The changes that come with growing older and retiring are ones that they relish, and include new opportunities for doing ministry in and through the Vineyard as well as experiencing a lot of love and fun with their growing family. They coordinate Vineyard Emeritus, worship at Trent Vineyard where they lead a small group in Leicestershire."

In the mid 90's, after the Toronto outpouring, Lynn & Bruce Rankine found the Vineyard in Redhill. Following retirement in the early 2000's they moved from Kent to Ashbourne and joined the Vineyard family at Trent until 2008 when they moved to Cardiff as part of the church plant. Since then they've found that God still has more for them to do - being part of the start-up teams such

as Storehouse, Pastoral Care and The Marriage & Parenting Courses, to name a few! They are living proof of the fact that God doesn't believe in retirement and that age is just a number!

**WEDNESDAY 4:45 - 5:45**

**WHEN WE HIT  
THE WALL**

**ELIZABETH DE SMAELE  
- AUDITORIUM**

Not for the faint-hearted, this seminar may speak insight into the tensions you (or your church) are experiencing in your faith journey. We'll look at stage theory as presented in Janet Hagberg's *The Critical Journey*, an insightful work that gives language and meaning to the stages we traverse as we respond to God's presence and work in our lives. Covering much more than theory, Elizabeth will weave in her story of journeying through brokenness to wholeness as she followed God's invitation to the inward journey, mustered the courage to face *The Wall* (an inevitable barrier on the road toward integration), and emerged with an outward focus transformed by love.

A native of Canada, Elizabeth lives in her adopted home of The Netherlands and is currently leading a motivated group of Vineyard leaders through Sustainable Faith's School of Spiritual Direction.

**FREEDOM FOR  
THE CITY**

**TRE SHEPPARD -  
AUDITORIUM**

Leading our towns and cities into life in God's freedom is a key part of the role Jesus left for us when He said, "Go and make disciples of all nations." Join Tre and friends for stories and strategies, and miracles and missteps from their journey seeking to lead a city into freedom and life from Causeway Coast Vineyard.

Tre is the Teaching and Associate Pastor at Causeway Coast Vineyard. He's also an award winning music producer and songwriter with a passion for culture, justice and equality. Tre is married to his girlfriend from High School, Tori and they have two children, Aidan and Elena.

**BEING A LEADER  
AND A PARENT**

**RACHEL TURNER - F1**

Being a church leader affects every part of our lives, including our children. We all want to see our children, teens and young adults flourish spiritually and emotionally alongside our congregations and communities. But how can we do that well? Parenting as a church leader comes with it's own unique challenges and joys, and there are some specific skills we can use to joyfully and effectively parent and lead churches at the same time. Come hear the results of research, share your experience with others, talk honestly about your journey and hear from those who've walked this path before.

Rachel Turner is the Parenting for Faith Pioneer at BRF having previously worked in churches for over 12 years as a Family Life Pastor, Children's Pastor, and Youth Pastor. She is the author of five books and is passionate about equipping and supporting Christian parents to coach their children in faith, no matter what their context.

**THURSDAY**

**HOW CAN WE HELP  
PEOPLE WHO AREN'T  
FREE?**

**KATE GARBERS - F5**

An interactive session to learn more about modern slavery, how it presents in our communities, how Unseen works to tackle it and what you can do in your locality and within your church communities to engage with this issue.

Unseen is a charity that provides safety, hope and choice directly to survivors of human trafficking and modern slavery. As well as providing highly effective 24/7 supported safe accommodation for survivors, a resettlement service in the community, the modern slavery national helpline, and training for a range of professionals, we work directly with government to effect systemic and sustainable change.

Kate is a Director of the non-governmental organisation, Unseen and has worked in the sector for the last 10 years working directly with survivors, law enforcement agencies and governments to work out how we can effectively and strategically tackle the issue of trafficking and slavery.

**HOW TO TRANSITION  
LEADERSHIP OF  
CHURCHES WELL**

**CHRIS & MAGGIE  
PARSONS, MARK &  
LOUISE WILLIAMS  
AND ANDY & BETHAN  
CHAPMAN - G2**

As a movement we have transitioned the leadership of a number of churches and have learnt much along the way. Join us for a panel discussion as we hear how we can healthily hand over the reins of church leadership.

Chris and Maggie Parsons are members of the Vineyard Leadership Group and were the founding Pastors of West Suffolk Vineyard.

Mark and Louise Williams now lead West Suffolk Vineyard having taken over from Chris and Maggie in 2014.

Andy and Bethan Chapman lead Riverside Vineyard having taken over from Rick and Lulu Williams in 2011.

**DEVELOPING A  
PROPHETIC CULTURE  
IN YOUR CHURCH.**

**JAMIE & LINDA  
WATTERS - Y7**

One of the greatest challenges a prophetic person can face is to find and be connected to a healthy kingdom focused community. It is our personal belief that the best place to unlock, nurture and see the prophetically gifted mature into the fullness of their anointing is when they are connected to healthy leadership, community, and training, that encourage the prophetic as a culture throughout the church as opposed to the few "anointed ones". This seminar will explore how to develop a prophetic culture within your church where everybody gets to play.

Jamie and Linda Watters pastor the Glasgow Vineyard where they are developing a supernatural prophetic kingdom culture that releases people into their gifting. They are seeing many amazing signs of the Kingdom breaking out amongst their congregation in their daily lives as scattered servants of the Kingdom.

**APOSTOLIC VS  
EVANGELICAL CHURCH  
PLANTING**

**JON TYSON -  
AUDITORIUM**

Church planting is becoming more and more popular as a ministry model today, but much of modern church planting is informed by late Christian culture, rather than a biblical pattern. In this seminar Jon, who has been involved in church planting in New York for the last 13 year contrasts apolitical planting with much of what has become popular. Helpful for those currently planting churches, or sensing a call towards this.

**BUILDING A HEALTHY  
WORSHIP MINISTRY**

**JESSE DULEY - F1**

Worship is our highest priority in the Vineyard, but that's easier to say than to give shape and substance.

Leading a worship ministry in a small university town with rapid turnover of young members, Jesse has learned valuable lessons about building successfully with the materials that God provides, rather than struggling to produce replications of other much-loved worship expressions. This continually requires taking risks on people sooner than is comfortable, the result being a worship ministry that is authentic, messy, exciting, scary, and utterly dependent on the Holy Spirit.

If you're a leader who wants to help worship grow but you don't know how, this seminar will explore the essential building blocks for a healthy worship ministry.

Jesse Duley (MTheol) is the Worship Pastor at the Kingdom Vineyard in St Andrews, Scotland.

**CALLED TO BE AN  
ENTREPRENEUR?**

**OLIVER NYUMBU - F5**

The majority of us serve God in the marketplace. We are committed to empowering and equipping people to lead, start and develop businesses, and have an impact for the Kingdom. This interactive seminar will explore questions such as: Can a Biblical case be made for being an entrepreneur? What is an entrepreneur? What are the most important qualities for an entrepreneur to have? Why does innovation matter for an entrepreneur? Why is nurturing entrepreneurs and entrepreneurship important for us in the Vineyard?

Oliver is an entrepreneur, and he is incurably curious about the effectiveness of organisations. As a leadership specialist he has spent over 20 years supporting businesses and public-sector organisations helping clarify and implement strategy. This work has been done through Executive Coaching and Mentoring of individuals and groups as well as general advice. As an entrepreneur he is part of a team which starts and develops businesses with a growth DNA and the motivation to change lives.

**PARTNERING WITH GOD**

**NICK SUTTON - G2**

With stories from the Middle East, Asia, Sub Saharan Africa and South America, come and hear how Vineyard missions are supporting the movement in extending God's kingdom everywhere in every way. This seminar is a practical guide to Mission Partnerships and outlines how the local church can be actively and effectively involved in global missions. A 'must' for Senior Pastors and all those with a heart for the nations.

Nick Sutton has led the Missions Team for VCUKI since June 2016, along with his wife, Vicki, he also leads Coventry Vineyard. The Missions Team exists to mobilise Vineyard Churches, by; (i) encouraging clarity, good communication and healthy accountability as we coordinate the missions work of VCUKI at a strategic level through partnerships; (ii) facilitating church planting movements in other nations by serving and raising up indigenous leaders to pastor their communities; (iii) encouraging activities and organisations that promote compassion and justice internationally.

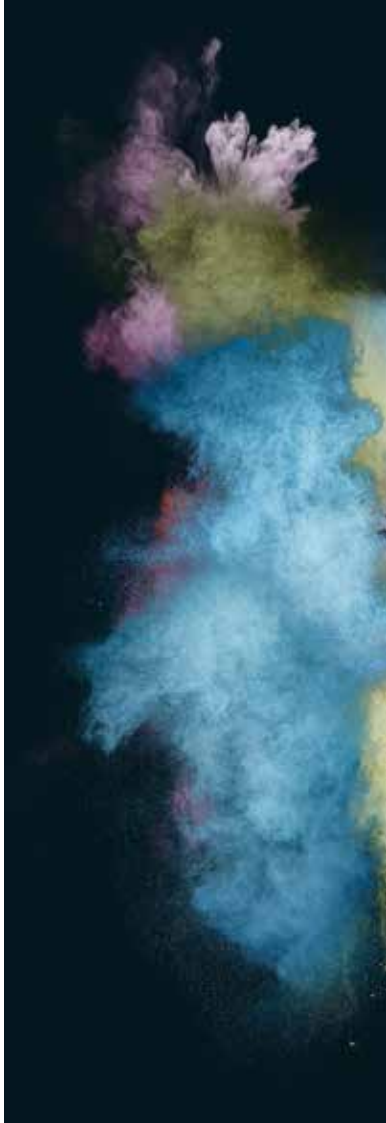

**THURSDAY 3:15 - 4:15**

**THE MIRACLE  
QUESTION - A SIMPLE  
TOOL TO LEAD PEOPLE  
TO FAITH ANYWHERE**

**MARK MARX - Y7**

Mark will share simple steps to help you begin a conversation with anyone, open up possibilities to pray, share the gospel and lead them to Jesus. After this session there will be opportunity to put it straight into practice going out onto the streets of Nottingham.

Mark is part of the Causeway Coast Vineyard church, and founder of Healing on the Streets. He moved to Northern Ireland in 1988, with his wife Linda and their three sons. Mark pioneered the development of the Healing on the Streets ministry, which has seen the church praying for people on the streets every week since Easter 2005. He featured in the films "Holy Ghost" and "Christ in You", and he is also the author of "Stepping into the Impossible - the story of Healing on the Streets".

**THURSDAY 4:45 - 5:45**

**THE ART OF  
MULTIPLYING ~~DIVIDING~~  
ADDING ~~SUBTRACTING~~  
LEADERSHIP**

**NEIL YOUNG -  
AUDITORIUM**

There has been bucketloads written and spoken about developing and multiplying leaders. We've all read a lot of it, tried much of it, probably failed at loads of it and hopefully succeeded at some of it. In this seminar, we will have an honest look at some of the ways Neil and Causeway Coast Vineyard church have tried to develop a leadership culture which seeks to develop leaders in all areas of life and culture; what has worked, what really hasn't, and what questions they are asking around this topic.

Neil serves as one half of the Senior Pastors team at Causeway Coast Vineyard church along with his wife Janet. They first met in the church when there were 80 people attending and have had the joy to watch and serve over the years since, seeing God do amazing things in the community.

**KIDS' Q&A**

**KATIE WILSON AND  
PANEL - F1**

Join us and bring your questions for an interactive Q&A with Katie Wilson (Belfast City Vineyard), Rachel Turner (Parenting for Faith), Kev Nash (St Albans Vineyard) and Dave Pavey (Causeway Coast Vineyard).

**THE HUB EXPERIENCE**

**MICHAEL & JESS  
MUNSON - F5**

In the Vineyard we are extending God's Kingdom together in every way, and Hub Training helps equip leaders in the local church to do just that. If you are interested in multiplying leadership training, come participate in our Hub "taster session". We will talk about the Hub Two Year Leadership Training Programme, then give you an experience of a typical Hub session. If you've always been curious about Hub Training, this will be a time well spent.

Michael and Jess are the Hub Coordinators for VCUKI. For the last decade they have been working with the development of leaders in the local church with the Vineyard movement in the USA, and moved to Birmingham in April 2017. They are passionate about seeing people grow into all that God created them to be.

**MISSIONAL  
COMMUNITES**

**MILLIE HAWLEY - G2**

What happens to neighbourhoods and networks when we live lives that make no sense without a gospel explanation?

Four years ago, members of Coastline Vineyard rented an old crack house in Boscombe, one of the poorest neighbourhoods in the country. Through sharing their dinner table with the type of people Jesus did, loving those far from God who were battling addiction and other life controlling issues, they began to witness the Kingdom break through in remarkable ways. This seminar will explore what it is to be an incarnational Kingdom people living in Missional Community with one another, God and the people around them.

## OFFERING

### THE OFFERING WILL TAKE PLACE ON WEDNESDAY EVENING.

Every year at the National Leaders' Conference we take up an offering which enables us to invest in extending God's kingdom.

We are delighted to tell you that this year's offering will go towards Developing Tomorrow's Leaders in the UK and Ireland and around the world.

We will divide the offering into two equal parts:

### BEYOND THE VINEYARD

Firstly, we want to give to the work of 222 Ministries in Iran. They train leaders, plant churches, resource the Iranian church and provide humanitarian support. We will be hearing from Lazarus and Maggie Yeghnazar who lead this incredible ministry on Wednesday during the late morning session. For more information take a look at [222ministries.org](http://222ministries.org).

## WITHIN THE VINEYARD

Secondly, we will be investing in Developing Tomorrow's Leaders throughout the Vineyard, internationally as well as at home. Through our missions partnerships we have many relational links with our global Vineyard family, and increasingly we are serving by gathering, training and resourcing the development of leaders.

Your generosity will allow us to further this work, as we extend God's Kingdom together everywhere in every way.

### HOW TO GIVE

The easiest way to give is online at [vnyd.ch/give](http://vnyd.ch/give). You can do this at any time and don't need to wait until Wednesday. Alternatively, there will be envelopes available on Wednesday evening to put cash or cheques into, or pledge forms if you need to give at a later date.
